

New Retail

Factory sealed, full manufacturer's warranty, 1-5 years (depends on brand)

Please note that any New Retail hardware offered by Sparta comes strictly with clean EU serial numbers. We don't import any hardware from outside Europe and don't work with any suppliers who could potentially do so.

New Open Box

Box was damaged or opened (manufacturer's seal has been broken). Retail hardware inside, warranty same as New Retail.

New Spares

Factory sealed, from official European service channels. 1-year warranty.

Renew

Refurbished by manufacturer. Factory sealed with clear "Refurbished" sticker on the box. Warranty same as New Retail.

Bulk

Supermicro 10pcs per box, factory sealed, min order 10pcs
HPE zero hour SSD, **not** factory sealed, warranty from 30 days to 1 year
HPE CPU, full kit, new processor inside, **not** factory sealed, 1 year warranty

Refurbished

Hardware has been professionally cleaned, tested and restored to make sure it's in excellent working and cosmetic condition. **Not** factory sealed. Warranty from 30 days to 1 year.

*Please note that even though most of refurbished HPE hardware we buy is called "**New Bulk**", any HPE Bulk hardware not mentioned in the above section of this document we still consider as **refurbished** due to impossibility to prove otherwise.*
